Dear Mr. York Chang:

NOTICE OF AUTHORIZATION TO APPLY THE UL MARK AND C-UL MARKS

UL's investigation of your products has been completed under project number 00SC02953 and the products were determined to comply with the applicable requirements.

This fax temporarily supplements the UL Follow-Up Services Inspection Procedure and serves as authorization to apply the UL Recognized Marking and/or Recognized Component Mark and the C-UL Recognized Marking and/or Recognized Component Mark only at the factory under UL's Follow-Up Service Program to the above products which are constructed as described below:

Identical to new models, which were submitted to UL for this investigation. The UL records covering the product will be in the Follow-Up Services Inspection Procedure, File E132267, Vol. 1.

To provide the manufacturer with the intended authorization to use the UL Mark, the addressee must send a copy of this Notice and all attached material to each manufacturing location as currently authorized in File E132267, Vol. 1.

This authorization is effective for 90 days from the date of this Notice and only for products at the indicated manufacturing locations. Records in the Follow-Up Services Procedure covering the product are now being prepared and will be sent to the indicated manufacturing locations in the near future. Please note that the Follow-Up Services Procedures are sent to the manufacturers only unless the Applicant specifically requests this document.
